

Zangief, Street Fighter

Welcome

B i P h o V i d L i n s k s

**Zangief,**

also known as the **"Red Cyclone"** (サイクロン) is a video game character created by [Capcom](#). He is part of the Street Fighter series of fighting games, first starring in Street Fighter 2. His signature fighting style is close up and wrestler based, with devastating throws and powerful base moves. This makes him tough up close, though often has trouble with foes with projectiles.

In the live-action movie, he is named **Viktor Zangief**.

**More information:**

Zangief (サイクロン) is a video game character created by Capcom. He is a part of the Street Fighter series of fighting games.
